We are committed to modeling positive Christian values such as love, kindness, respect, and helpfulness for others.

Our Philosophy

We Believe that parents and families are the primary source of education for young children. Our role at Family of Christ Christian Preschool is to support families in this endeavor.

We also believe that it is through play and exploration that children grow and learn.

Learning = FUN

Family of Christ Christian Preschool offers a developmentally appropriate preschool program for children 2~5.

Our fun filled day includes; art, music, circle time, snack, social interaction, both fine and gross motor activities, and weekly chapel time.

Come play with us and see us in action!

Non-Discrimination Policy

Family of Christ Christian

Preschool does not discriminate against families on the basis of sex, race, color, religion, ethnic and national origin in the administration of its educational policies and programs.

Curriculum

Our preschool program is designed to meet the needs of the whole child. The curriculum's focus is on Spiritual development along with the six basic areas of development.

We define spiritual development as "learning that God loves and accepts every one of us for who we are, and learning to share that love and acceptance with others."

The six areas of early childhood development that we focus on are:

1. Language
2. Fine motor skills
3. Conceptual development
4. Gross motor skills
5. Self-help skills
6. Social-Emotional development
